

## TIFTICKJIAN LAW FIRM, P.C. CHERRY CREEK / ASPEN

### COLORADO'S LEADING DUI DEFENDERS

Don't let his age fool you. Jay Tiftickjian is one of the state's leading DUI defense attorneys, and he has accomplished more in the courtroom than most lawyers twice his age. He is a nationally recognized trial attorney whose resume of past achievements includes numerous not-guilty verdicts, as well as dismissals of charges that range from DUI and DWAI to accessory to first-degree

murder and careless driving resulting in death. He is AV Preeminent™-rated by Martindale-Hubbell® and has been named by his peers to the *Colorado Rising Stars* list for the past three years in a row.

"Any lawyer will take on a DUI case," says Tiftickjian, "but successfully defending a client charged with driving under the influence requires a thorough understanding of complex scientific and constitutional issues. There is more forensic science involved in defending against a DUI charge than in most first-degree homicide cases." For these reasons, Tiftickjian invests thousands of dollars every year to make sure that he and his associates receive the most advanced scientific and legal training available in breath tests, blood tests and field sobriety tests.

"Our clients are good people with strong reputations in the community who either made mistakes or were victims of overzealous law enforcement," says Tiftickjian. "We understand that people's reputations are their greatest commodity, and we fight to make sure that these reputations stay intact. DUI convictions follow people for the rest of their lives."

Tiftickjian's credentials include becoming Colorado's first sustaining member of the National College for DUI Defense and a life member of the Colorado Criminal Defense Bar. He is also a former Colorado deputy district attorney and the criminal law chair of the Adams/Broomfield Bar Association.

With offices in Cherry Creek and Aspen, Tiftickjian Law Firm, P.C. has established itself as Colorado's premier DUI defense firm.
